

# Food Drive Donation Drop-off

The Open Door 3000 Ames Crossing Rd, Suite 100 Eagan

## Helpful tips for finding our new location:

- Boulder Lakes Complex is shaped like a "U". Please enter from the NORTH side of the building.
- Door #3 (next to large garage doors): Registered Food Drives are easiest to unload through the large garage door, next to Door #3. If there is room, please back up to the large garage door. Ring the door bell if someone isn't with you shortly. We will help you unload your donations, record the weight, and give you a receipt.
- Your patience is greatly appreciated. Many vehicles may be loading/unloading in this area, we will be with you as quickly as possible.
- Door #4 ((by Office Entrance): Inside is our 24/7 vestibule. If you missed your scheduled Food Drive time or arrive after hours, you can unload your nonperishable food donations inside Door #4 and set them on any open shelf.
